**AIRSTREAM NAMES CHRIS RAHRIG VICE PRESIDENT OF SUPPLY CHAIN**

**Jackson Center, OH (May 3, 2019)** – [Airstream, Inc.](http://www.airstream.com), maker of the iconic “silver bullet” fleet of Airstream® travel trailers and best-in-class touring coaches, today announced that seasoned manufacturing operations professional, Chris Rahrig, has taken on the role of Vice President of Supply Chain. Rahrig, who will lead the strategic vision, development, implementation and measurement of long-term strategies, programs and plans for the supply chain function at Airstream, will report directly to Justin Humphreys, COO.

With more than 20 years of experience in manufacturing, operations and supply chain management, Rahrig joins Airstream after most recently serving as a plant manager for the Andersen Corporation. In this role, Rahrig was responsible for entire plant operations, including safety, quality, supply chain, manufacturing, facilities and maintenance. Rahrig also served as a Supply Chain Manager for Andersen Corporation, where he led purchasing, material handling, scheduling and capacity planning.

“As we’ve grown, we’ve recognized the need and opportunity for a new level of supply chain management.” said Bob Wheeler, President and CEO of Airstream. “The added complexities in purchasing, from logistics to managing a global network of suppliers, has led us to create this very important position. Airstream is thrilled to have Chris on the team to lead these efforts and help us navigate the entire supply eco-system into the future.”

Rahrig received his BA and MBA from the University of Findlay. He currently resides in Columbus, Ohio.

“I am thrilled to be part of the Airstream team and honored to join the forward-thinking executives at the helm,” said Chris Rahrig, Vice President of Supply Chain for Airstream. “I look forward to build upon Airstream’s successful processes, and further drive innovation, growth and productivity for the company.”

**About Airstream**

Airstream, manufacturer of the iconic “silver bullet” Airstream® travel trailer, is the longest-tenured recreational vehicle manufacturer in the world. The company’s mission, as set forth by founder Wally Byam, is to create well-designed, high-quality products that allow people to follow their dreams and explore the world in home-like comfort.

A steadfast commitment to Byam's credo, "Let's not make changes, let's only make improvements," has made the aluminum Airstream travel trailer a timeless classic. An unwavering focus on innovation keeps the company at the forefront of technology and customer experience in both the towable and motorized sectors.

Airstream is based in Jackson Center, Ohio, where a team of skilled craftspeople hand builds each travel trailer and upfits every Mercedes-Benz(R) touring coach, adding daily to the brand's reputation for quality and innovation.
